Dear David,

On behalf of all of us here at Leadership Vancouver I would like to thank you for participating in our January 19, 2003 Opening Retreat. Once again you engaged the group completely and gave a powerful presentation!

"*The Courage To Lead*" was a presentation that gave our group of emerging community leaders a wealth of practical strategies for leading at work and in the community. You motivated and inspired them while using your wonderful sense of humor to communicate clearly, complex ideas. These ideas will undoubtedly resonate with the group as they consider their next steps as community leaders.

David, Leadership Vancouver strives to make course participants better citizens by empowering them through knowledge. Your willingness to share your substantial expertise and unique talent has helped us greatly in this quest. Your contribution to Leadership Vancouver is invaluable and I hope we may call upon you again to work with us to inspire community leaders from all sectors of our society. The willingness of experts like you, to give of your time and be a resource person is an important and essential element in the success of our program.

Thank you again for your support in making our Opening Retreat a success.

Sincerely,

Ann Marie Bennett, Program Manager
