Dear David:

On behalf of everyone who attended Network 2000, I would like to thank you for facilitating the team building workshop on February 16, 2000. Based on the conference evaluations, the work and energy you put into its delivery was greatly appreciated by all delegates, especially after lunch!

Thanks to your professionalism and good humour, my work was made much easier and the conference was a resounding success. Should you wish to contact any of our members in future, a Visitor Info Centre mailing list is enclosed.

Again, please accept my thanks for a job well done. Moomba!!

Sincerely,

A handwritten signature in blue ink, which appears to be "Jennifer Handley", is written over the word "Sincerely,". The signature is fluid and cursive.
